To Our Valued TRS Customer,

We appreciate the opportunity to provide our customizing/embroidery services to you and make every effort to insure that your items are handled with great care while in our facility. However, occasions do arise that may cause damage to, or loss of, your items. As your items were not purchased through our company, we cannot be responsible for the repair or replacement of the items if damage or loss occurs.

For orders being processed with customization/embroidery, in which the items were NOT purchased through TRS, there will be an additional handling fee of \$25.00. Embroidery fees will be based on our standard embroidery charges with a \$2.00 additional charge per garment.

Please, return this form by fax or mail so that we may continue processing your request for customization.

Thank you,

The Right Scrubs
